Implementation of ULLAS (Understanding Lifelong Learning for All in Society)

It is hereby declared that the institution actively implements the Understanding Lifelong Learning for All in Society (ULLAS) program in alignment with the objectives of NEP-2020, focusing on adult education and lifelong learning.

The college mobilizes student and faculty volunteers through NSS and other outreach activities to identify non-literate and neo-literate adults in nearby communities. Learners are enrolled through the ULLAS digital platform, and basic literacy, numeracy, and digital skills are imparted using learner-centric and participatory methods.

The institution conducts awareness program, community interactions, and literacy drives to motivate adult learners. Continuous support is provided through regular learning sessions, while progress is monitored by faculty coordinators. Periodic assessments are conducted, and certification is facilitated through the ULLAS portal.
